# HOW TO UNLOCK YOUR 6 FREE MONTHS OF LAM

**Open the LAM app and go through the onboarding** It ends on the screen to pick your plan.

1. On the plan screen, tap **Enter promo code**.
2. Type your **6 free months code** from your welcome email, **dashes included**. Not your promo code for your audience.
3. Tap **Apply code**. That's it: 6 months free.

**iPhone and iPad only.** Your 6 free months code is just for you and works once, so please don't share it. Questions: ambassadors@littleangelmedical.com
